The Jon Van Dyke Institute of International Law and Justice, William S. Richardson School of Law, East-West Center and the Korea Institute of Ocean Science and Technology are pleased to present an international conference entitled “Our Ocean Planet: Governance for a Better Future.”

There will be panels on Maritime Claims in Asia and the Polar Regions, Protecting the Ocean and its Resources, Marine Scientific Research and Emerging Ocean Issues. In honor of Professor Van Dyke’s strong interest in human rights, there will be a special panel on Recent Developments in Human Rights in Asia.
