I have laid the stick that connects people together. Now it is up to you, your generation and the generations to come, to build upon that stick a bridge that will ensure the free sharing of information and teaching between the two peoples until the day we become united again as a single people, as we were once before; before men separated us with their imaginary political boundaries of today’s Polynesia and Micronesia.”

Pius “Mau” Piaiulg

Perspective on Micronesian Communities in Hawai‘i
- Micronesia’s Pacific Connections (particularly Hawai‘i)
