STUDENTS

The Princeton Review of The Best Law Schools, 1998 edition, ranked our school in the top ten in six of their 13 rankings based in part upon our student comments; quality of life, minority representation among faculty, proportion of women students, proportion of female faculty and clerkship placement.

BRANDON "KOÀ" PAREDES, 1L, composed the song "Ka'Ano'i Pua o Uka" performed on Keali'i Reichel's just released and highly acclaimed album "'E O Mai". Koa wrote the lyrics and music as a final project in a Hawaiian poetry class.
